

## Personal Statement Guidelines - PhD

In 2-3 pages (double-spaced, standard fonts) discuss personal and professional dimensions of your experience that influence your decision to pursue academic and clinical training at ICSW at this time. Please include the following:

- \* Aspects of your personal and work history that are relevant
- \* Professional interests and goals
- \* Why you are interested in psychodynamic education?
- \* Qualities that would make you a successful doctoral student
